The screenshot shows a web browser window with the URL 'survey.steen.fyi'. The page has a pink header with the text 'STEEN.FYI'. Below the header, there is a red bullet point that says 'Before we start'. The main title of the form is 'A little about you'. The form contains three sections: 'Name' with a text input field labeled 'Your name'; 'Organization' with a text input field labeled 'Where you work'; and 'Role' with five button-like options: 'Business', 'Analyst', 'Tech / Development', 'Leadership', and 'Other'. At the bottom of the form is a red 'Continue' button with a right arrow. The footer of the page says 'Jul 2026'.
